

SIRIUS Motor Starter ES 2007 standard Floating license for one user engineering software, without software, without documentation License key download, Class A 3 languages (de, en, fr) Executable in: Win 7 SP1 / Win 10 - 64 bit Prof./Ultimate/Enterprise Win Server 2008 R2 Std. SP1 / 2012 R2 / 2016 - 64 bit communication via system interface E-mail address for delivery is absolutely essential

General technical data		
product designation		Motor Starter ES 2007 STANDARD license download
software version		2007
product description		motor starter parameterization, commissioning and diagnostic software for High Feature starters of the ECOFAST, ET 200S, ET 200pro and M200D families
national language of the software		german / english / french
product license		floating license for 1 user
software class		A
Features		
product component component library		No
- product function diagnostics function - product function controlled positioning - product function simulation function - product function technological function - product function analysis function - product function movement function - product function data acquisition function - product function commissioning function - product function communication function - product function project planning function		Yes No No No No No Yes Yes Yes No
Requirements		
processor clock frequency		
minimum	MHz	1 000
storage capacity		
of the main memory or RAM minimum	Mbyte	2 000
Graphics card		
Software		
operating system required		Windows 7 SP1 64-bit Ultimate, Professional and Enterprise (standard installation), Windows 10 64-bit Pro and Enterprise, Windows 2008 Server R2 StdE SP1 64-bit Standard, Windows 2012 Server R2 StdE SP1 64-bit Standard, Windows 2016 64-bit Server Essentials, Standard, Datacenter
Certificates/ approvals		
General Product Approval	other
